GATOR DEFENSE

GATOR DEFENSE LLC · OCALA, FLORIDA · CHARLESTON, SOUTH CAROLINA

CAPABILITY STATEMENT

SBA-CERTIFIED SDVOSB

COMPANY OVERVIEW

Gator Defense is a service-disabled veteran-owned small business. We provide IT and cybersecurity, consulting, facility services and logistics support to government agencies and the prime contractors who serve them. We bid what the job actually takes and staff it with people we'd want on our own team.

A lot of government work goes to the lowest bidder, and the results usually show it. We started Gator Defense to price work honestly and staff it with people who care about getting it right.
